Rat Click Here To Download File As salam alaikum mp3 quran bang translation How the Holy Quran should be read? Before we Read the Quran in English, There are important terms which should be understood properly related to topic of Quran recitation (Tajweed) and Tarteel. Let us discuss them one by one. Tajweed refers to reciting each Quranic word with the accurate sound. Basically it is the legibility of Prophet Muhammad (saw) pronunciation and accent of reading the Holy Quran. For this the Quran was pronounced such a manner that every one is supposed to follow the rules of Tajweed and Tarteel. In Arabic language there are 6 vowels that have to be pronounced from the bottom of the mouth and the tip of the throat. There are 7 bold alphabets that have to be pronounced with a strong voice. There are 3 harakat (movements) in Arabic A word related to Tajweed is "Tajweed". Tarteel on the other hand means reading the Quran with a particular rhythm keeping the rules of Tajweed intact. It is the way in which Prophet Mohammad (saw) used to recite the Quran. This can be possible if we Learn Quran-ul-tajweed and tarteel from a reliable source.
